Am Stammtisch, im Eck, in der Konditorei, o-ho - ho. (Chor:) *Oh yeah !*

Achy Breaky Heart (Billy Ray Cyrus) Original A-Dur

Intro:

1. ^A
You can tell the world, you never was my girl,
^E
you can burn my clothes up when I'm gone.

You can tell your friends, just what a fool I've been
^A
and laugh and joke about me on the phone.

You can tell my arms, go back to the farm,
^E
you can tell my feet to hit the floor,

or you can tell my lips, to tell my finger tips
^A
They won't be reaching out for you no more.

Ref.: ^A (But) don't tell my heart, my achy breaky heart,
^E
I just don't think he'd understand.

And if you tell my heart, my achy breaky heart,
^A
he might blow up and kill this man.

Ref.: Instrumental

2. ^A
You can tell your ma, I moved to Arkansas,
^E
you can tell your dog to bite my leg.

Or tell your brother Cliff, whose fist can tell my lip
^A
that he never really liked me anyway.

Or tell your Aunt Louise, tell anything you please,
^E
myself already knows I'm okay.

Or you can tell my eyes, to watch out for my mind
^A
it might be walking out on me today.

In the Ghetto (Elvis Presley)

1. *C* *Em*
– As the snow flies on a cold and grey Chicago mornin',
F *G7* *C*
a poor little baby child is born in The Ghetto and his mama cries.
Em
Cause if there's one thing she doesn't need
F *G7* *C*
it s another hungry mouth to feed in The Ghetto.
2. *G* *F* *C*
People, don't you understand, the child needs a helping hand
F *G7* *C*
or he'll grow to be an angry young man someday.
G *F* *C*
Take a look at you and me, are we too blind to see
F *Em* *Dm* *G7*
or do we simply turn our heads and look the other way?
3. *C*
Well, the world turns and a hungry little boy with the runny nose
F *G7* *C*
plays in the street as the cold wind blows in The Ghetto,
Em
and his hunger burns, and he starts to roam the streets at night
F *G7* *C*
and he learns how to steal and be learns how to fight in The Ghetto.
4. *G* *F* *C*
And then one night, in desperation a young man breaks away.
F *Em* *Dm* *G7*,
He buys a gun, steals a car, tries to run, but he don't get far,
C
and his mama cries.
Em
As a crowd gathers round an angry young man

And as her young man dies on a cold and grey Chicago mornin',
F *G7* *C*
another little baby child is born in The Ghetto.

Irgendwann bleib i dann dort (STS)

1. Der letzte Sommer war sehr schön, i bin in irgend einer Bucht geleg'n
 die Sonn wie Feuer auf der Haut, du riechst des Wasser und nix is laut,
 irgendwo in Griechenland, jede Menge weißer Sand,
 auf mein' Rucken nur dei Hand.

2. Nach zwei, drei Wochen hab i's g'spürt, i hab des Lebesg'fühl dort inhaliert
 die Gedanken dreh'n si um, was zerst wichtig war is jetzt ganz dumm,
 du sitzt bei an Olivenbaum, und du spielst di mit an Stein,

 wieviel Jahr auch noch vergeh'n, irgendwann bleib i dann dort.

 I stood and watched until I saw her black cloak disappear.

 take courage from her ass you prize and say hello for me.

1. Loving can hurt. Loving can hurt sometimes
But it's the only thing that I know.
When it gets hard. You know it can get hard sometimes
It is the only thing that makes us feel alive

Bridge: We keep this love in a photograph. We make these memories for ourselves
Where our eyes are never closing
Our hearts were never broken. And times forever frozen still

Ref: So you can keep me inside the pocket of your.
Ripped jeans holding me closer till our
Eyes meet, you won't ever be alone
Wait for me to come home

2. Loving can heal. Loving can mend your soul.
And it's the only thing that I know.
I swear it will get easier. Remember that with every piece of ya
It is the only thing we take with us when we die

Bridge:

Ref:

And if you hurt me that's ok baby, only
Words bleed inside these pages you just
Hold me and I won't ever let you go
Wait for me to come home. Wait for me to come home
Wait for me to come home. Wait for me to come home

Outro: Oh you can fit me inside the necklace you got when you were sixteen
16 next to your heartbeat where I . Should be, keep it deep within your soul
And if you hurt me that's ok baby only. Words bleed inside these pages you just
Hold me and I won't ever let you go.
When I'm away I will remember how you
Kissed me under the lamp post back on sixth street
Hearing you whisper through the phone. Wait for me to come home.

 Hello darkness my old friend. I've come to talk with you again
F B F B F
 Because a vision softly creeping. Left his seeds while I was sleeping

 Still remain within the sound of silence.

2. *C* *Dm*
 In restless dreams I walked alone. Narrow streets of cobbled stone
F B F B F
 Neath the halo of a street lamp. I turned my collar to the cold and damp
B F
 When my eyes were stabbed by the flash of a neon light
Dm F C Dm
 That split the night and touched the sound of silence.

3. *C* *Dm*
 And in the naked light I saw. Ten thousand people maybe more
F B F B F
 People talking without speaking. People hearing without listening
B F
 People writing songs that voices never share
Dm F C Dm
 And no one dare disturb the sound of silence

4. *C* *Dm*
 Fools said I you do not know. Silence like a cancer grow

 Hear my words that I might teach you
B F
 Take my arm that I might reach you
B F
 But my words like silent raindrops fell
Dm F C Dm
 And echoed in the well of silence

 And the people bowed and prayed. To the neon god they made
F B F
 And the sign flashed out its warning
B F
 In the words that it was forming. And the sign said
B F
 The words of the prophets are written on the subway walls
Dm F C Dm
 And tenement halls and whispered in the sound of silence
